

RE: West Coast All Stars Sponsorship

The West Coast All Stars are a spring hockey program based out of the Delta area of British Columbia.

The West Coast All Stars Organization is a not for profit program and all operational costs are paid for by players fees, personal and corporate contributions. The costs of operating the program are considerable but the benefits to these players are well worth it.

We are asking you to assist in making this program stronger and more successful by making a contribution. In consideration for your contribution, you will be given the appropriate advertising space in the West Coast All Stars Website with a link to your business.

Your commitment to any of the following will help make a difference, thank you in advance for your contribution.
